

How to find the bicycle storage

The bicycle storage room is located on the garage level, floor -2, in Hästskon 12. To get here, cycle down the entrance ramp to Parkaden at Regeringsgatan 55. Immediately after the ramp, turn left to continue through the gate; the bicycle storage room is then located directly to the left. The entrance from Regeringsgatan is open on weekdays from 06:00 to 22:00 and on Saturdays from 06:00 to 13:00. On Sundays, the entrance is closed. The bicycle storage room is always locked and can be opened with the Accessy digital key. Please contact your office manager if you do not have access.

Next to the bicycle storage room there is also the option of showers and changing rooms as an optional add-on. If you are interested in this, you can find more information and prices in the property's tenant information or by contacting our partner BikePath, which has a store at Sveavägen 10B.

It is important to take extra care when cycling down to the garage level as there is a lot of activity and goods deliveries in the garage. Please wear a helmet and cycle carefully.
